British Christian . tv

A new concept for Christian TV in the UK

PRESENTS

LET THE NATION SEE JESUS  
THROUGH THE EYES OF UK CHRISTIANS

Your programme  
*Showing what God is doing in the UK  
through His Church and His people*

*Out of the Box* is a half-hour programme shown on Satellite TV and the Internet. We are looking for testimonies, original songs, special occasions, items of

interest including hobbies etc, to produce a programme showing the wider scope of Christianity in the UK. We particularly want short testimonies (max. 5 mins) for viewers to be aware of the reality of Jesus Christ.

🇬🇧 *Out of the Box* will be shown on TV and the Internet, where it can be seen by 9 million UK satellite viewers, and 1 billion Internet users! Take a look at: [www.YouTube.com/BritishChristianTV](http://www.YouTube.com/BritishChristianTV) or ask us for a free DVD.

🇬🇧 To safeguard the nation we ask contributors to sign a Statement of Faith (Evangelical Alliance), and we monitor the programme for both doctrine and technical quality.

🇬🇧 If you know of any interesting Christian activities in your region that could be included in *Out of the Box* please contact David or Jan.

🇬🇧 Please would you be willing to partner with us on a monthly basis to produce what we hope will become a weekly programme encompassing a wide range of UK Christian activity and general interest, without too much preaching. We want our nation to see that real Christianity is a relationship with Jesus affecting every part of life.

🇬🇧 IMPORTANT: Please do not give to this project if it will be a financial burden to you or put you in debt.

🇬🇧 If you wish to partner with us, please complete the enclosed form and return it to us. Thank you for helping fund this exciting new project.
